Restoring the past.

# School Dining Hall Refurbishment

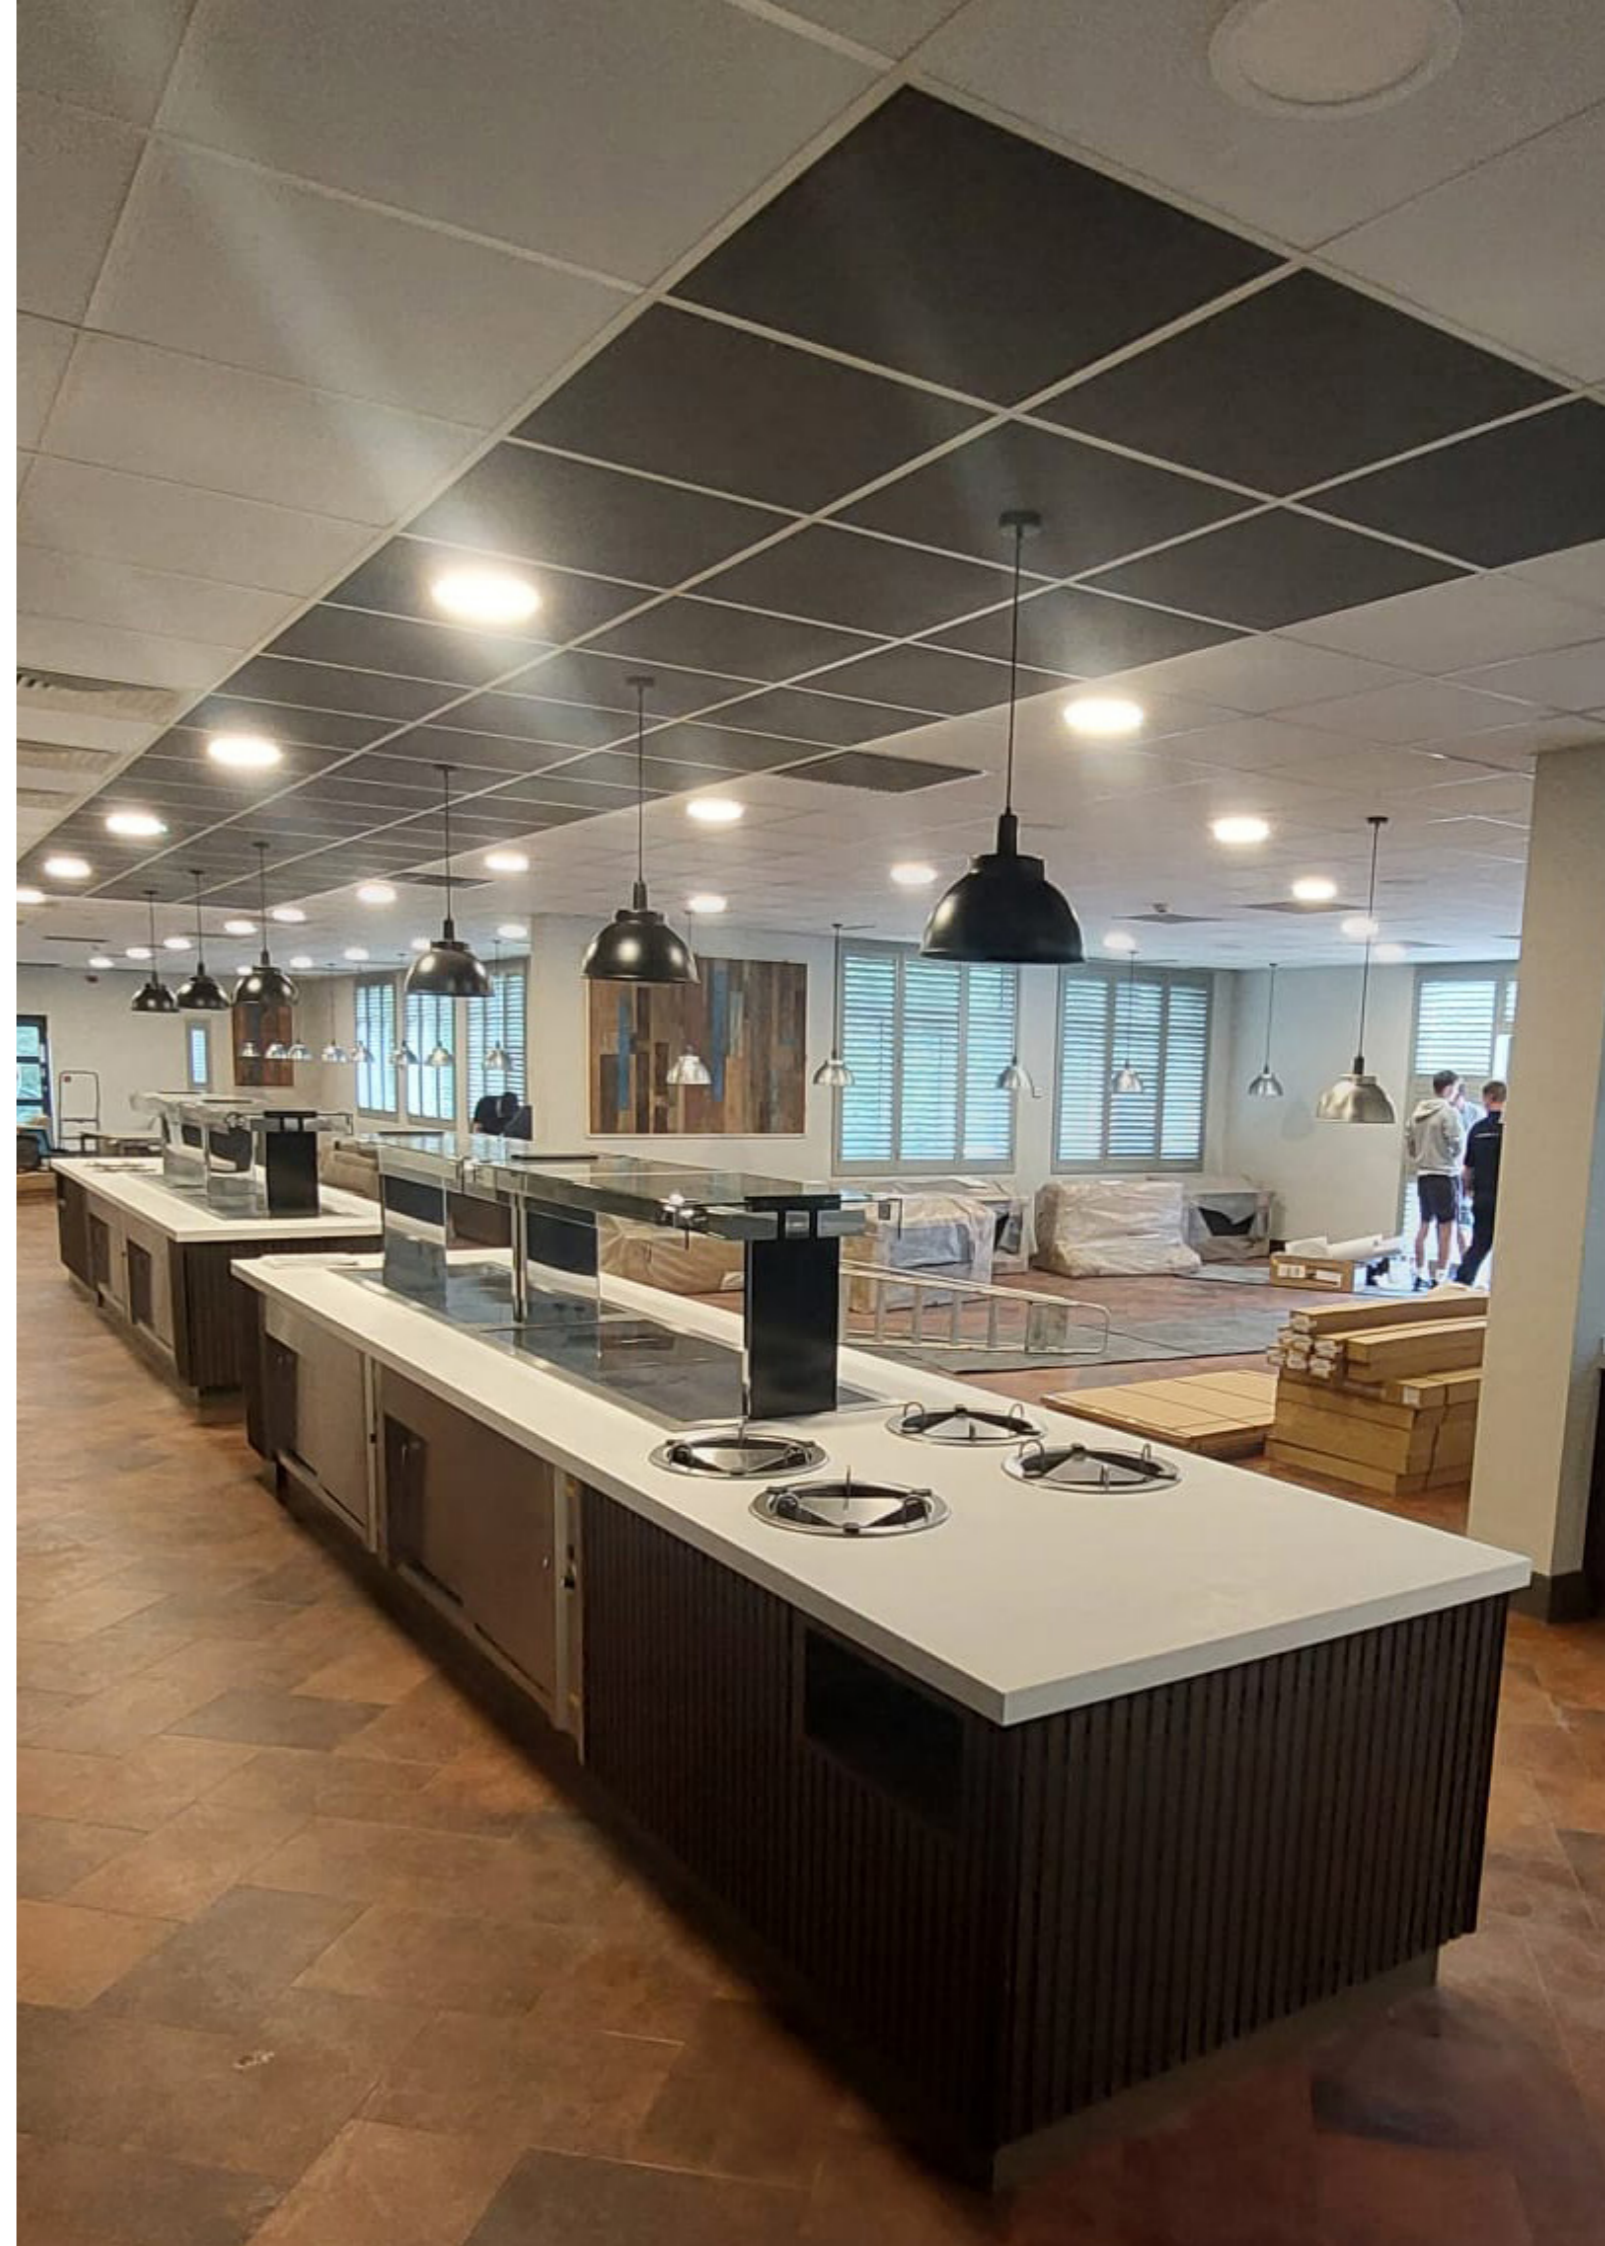

Mid-Sussex

Brief: The aim for this project was to fully revamp the dining hall at a private school in Mid-Sussex, to create a modern and functional communal space.

We reconfigured the layout of the room, installed a brand new suspended ceiling, new lighting throughout and fitted a new servery.

Value of contract:  
£500,000

# School Accommodation Refurbishment

Brighton, East Sussex

Project: Headmasters flat refurbishment on private school estate

Brief: On this project, the school instructed us to fully refurbish an existing housemasters flat. Works consisted of installing two new bathrooms, new flooring throughout, bespoke fitted wardrobes, and full decoration.

Value of contract:  
£75,000.00

## Health and Safety

We work alongside Health & Safety advisors to ensure we are implementing the correct procedures and ensuring our sites are safe as possible.

We are members of CHAS, Constructionline & Safecontractor. We have a strict health and safety policy in place and are insured for both public liability (up to £10,000,000.00) and employers liability (up to £10,000,000.00).

We also have a contractor all risk policy. These can be provided on request.

All operatives hold a full enhanced DBS certificate.
