

Building the future.
Restoring the past.

House Refurbishment

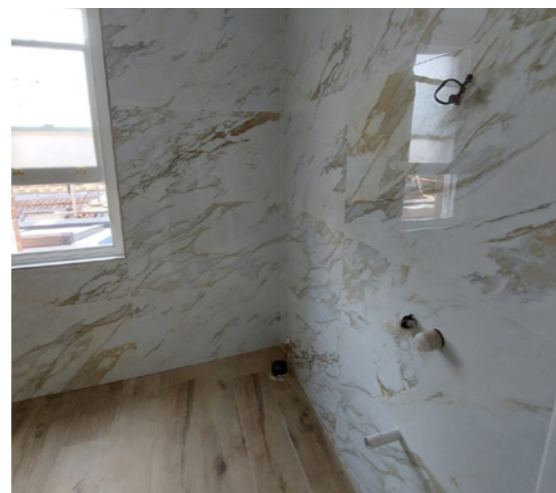

Hove, East Sussex

Brief: We were instructed to carry out a full house refurbishment, including a single storey extension.

The project was completed to a very high end finish. Our work included fitting new timber windows throughout, four new bathroom installations, new kitchen, new flooring throughout including a concrete polished floor in the kitchen, timber bifold doors, installing two new fire places and much more.

Value of contract:
approx. £475,000.00

Flat Refurbishment

Hove, East Sussex

Brief: Our remit was to fully refurbish the property which had been previously tenanted.

Our works included complete re-fit of main bathroom, en-suite and kitchen. We also fitted bespoke wardrobes to all 3 bedrooms.

Value of contract:
£95,000.00

Health and Safety

We work alongside Health & Safety advisors to ensure we are implementing the correct procedures and ensuring our sites are safe as possible.

We are members of CHAS, Constructionline & Safecontractor. We have a strict health and safety policy in place and are insured for both public liability (up to £10,000,000.00) and employers liability (up to £10,000,000.00).

We also have a contractor all risk policy. These can be provided on request.

All operatives hold a full enhanced DBS certificate.
